## Italian Sparkling Wine “Metodo Classico”

### Lombardia

#### Franciacorta Bellavista “Alma” Brut

Made in the 'traditional method', the different parcels of wine are all vinified separately. 15% of the wines used in the blend are fermented and then matured for seven months in small oak barrels. These wines are then blended with the "reserve wines", which come from between six and nine earlier vintages. Once blended, the wine is bottled and the second fermentation takes place in bottle. It is then left to age on the lees for two and a half years before release. The contribution of the reserve wines ensures Bellavista's consistent, signature style. It has a lively and persistent mousse with fine perlage. It is an attractive pale yellow in colour, with green reflections. Perfumes of white flowers and stone fruits, with subtle hints of vanilla, which follow through on to the palate. Fine, elegant yet rounded and beautifully balanced.

The remainder of the blend is fermented in stainless steel vats. The glacial soil is full of stones, and provides the ideal environment for the Chardonnay and Pinot Noir grapes used in the production of their Franciacorta.

The palate shows well-rounded, full, and generous, with glossy tannins and a complete absence of any roughness. The 2012 lacks none of the proverbial concentration that distinguishes Ornellaia's, great vintages, but this vintage adroitly masks that richness behind an expansive, magisterial structure, then concludes with a near-endless finish.

## Red Wine

### Cabernet Sauvignon Chateau Changyu Moser XV 2016

This Beautiful nose halfway from red to blackberry fruit, intense and typical Cabernet elements such as chocolate, leather and a bit of tea – a hue of vanilla comes with a touch of spice à la chinoises. Dense color, not too dark but strong. The excitement builds with the first sip: luscious and giving rather than demanding, the complexity at this price is stunning, so are the aromatics and the long finish, all in tune with excellent Cabernet Sauvignon.
